MANAGED PORTFOLIO DISCLAIMER

HSL makes no representation or warranty as to the actual performance of the trades executed on behalf of the investor through Managed Portfolios. HSL automatically executes trades on behalf of the investor corresponding to the trades carried out in respect of a strategy. Some strategies operate with leverage due to the use of margin products and a high degree of discretion and exposures towards single securities and asset classes, and as such Managed Portfolios may entail significant risks.

All investments entail risks and may result in both profits and losses. In particular, investments in leveraged products, including (but not limited to) foreign exchange, derivatives and commodities can be very speculative and profits and losses may fluctuate both violently and rapidly.

Past performance is not indicative of future performance and should not be the sole factor of consideration when selecting a portfolio or product to invest in. The price of the investments may fluctuate and the investor's income is not fixed and the investor may not recover the amounts invested. The value of investments involving exposure to foreign currencies may be affected by exchange rate movements. Please take note that the levels and bases of, and reliefs from, taxation may change.
